

*LH Series
Pull-Out Lavatory Faucet
with adjustable height
(2 mode)*

Features

- With its focus on balance and harmony, the soft, contemporary design allows it to be easily matched with a broad range of bathroom fixtures.
- Effortless Cleaning: Pull-out hose enables easy basin cleaning and retracts smoothly for convenient storage.
- Ergonomic handle requires minimal effort, making it user-friendly for all ages.
- Its 2-mode design lets you switch between an air-rich spray and normal mode, while the extendable hose provides exceptional flexibility for all your tasks.
- Adjustable height - faucet body can be extended by up to 70 mm, enhancing practical comfort for daily activities.
